Dear Mr Sundararaja Rao,

In continuation of my D O Letter No A6 Pr 51 dated 22-5-1942 regarding the proposal of the Municipal Council for the acquisition of the building under construction by Mr H Mohamed Khan on S No 143/5-6 of Dodd-bhyalkhana village, I write to state that while I have taken action to grant him license in pursuance of the resolution of the Municipal Council itself passed on 7-10-1939 approving the above conversion and the Municipal Council wanted to veto my action, I may invite reference to this Office letter No A6-1214/41 dated 13-6-1942 wherein the Municipal Council have taken quite a partial view of the affair in connection with the grant of permission to Messers B S Nanjiah and Doddamuniappa to build on their land in S No 1/7 and 1/8 of Gavipur Guttahalli village

In this connection, I may further invite reference to your letter No L 6264/M1 120-40-3 dated 20-2-1941 which clearly states that it is better to acquire the small extent of the above Survey Nos, and include them in the general lay-out than to permit the owners to lay it out themselves. While the question of the said general lay out has not matured and is still under correspondence and in the face of the letter received from Government referred to above, the Municipal Council have resolved that permission may be given to Messrs B S Nanjiah and Doddamuniappa

I have brought this to the notice of Government for favour of such action as they deem fit under the circumstances

Yours sincerely,
